Dear Governor Vic,

The "Wearing of the Green" dinner auction held March 15, 2002 was a tremendous success, raising almost \$54,000 for the Portland Rotary Charitable Trust. We would like to thank all in attendance and offer special congratulations to our raffle winner, Mrs. Chi-Wu Chang. We hope Sandy and her husband Chi-Wu enjoy their romantic vacation for two.

The event was a tremendous success, exceeding the net from last year and setting a new record as our most successful auction yet. Your participation made a wonderful difference and means additional financial support for our programs, including students at risk, handicapped individuals in need of electronically powered wheel chairs, handicapped people in central America making their own wheelchairs, foreign exchange students, high school students interested in learning more about the free enterprise system, Community Grants, World Community Service and much more.

Again, thank you for joining us at our annual benefit auction.

Sincerely,

**Lucy**
