Dear Jim,

It is my understanding that you will be having a hearing on the Holocaust Memorial on Monday. Unfortunately, I will be unable to attend to lend my support to this most appropriate and highly significant project which will be a constant reminder that a human tragedy of this enormity must never ever be repeated. Those involved have responsibly gone through a great deal to get the Memorial to this point and are justifiably very nervous at what they now see as a "speed bump" at this fragile juncture.

My hope is that your meeting will be the last step in their long journey and that soon the Holocaust Memorial will become a reality.

Sincerely,

A handwritten signature in blue ink, appearing to read "Victor Atiyeh".
