RE: Revised Application for Site Design Review  
1. Construction of five-plex on North Davis near N. 17th

Dear Mr. Harris:

No appeals were received during the ten working day appeal period for the final decision and supporting findings dated December 5, 1990 on the project. The administrative decision is now final. Except for meeting the conditions outlined in the supporting findings, the site design review process is now complete.

I will contact you shortly to see if we can arrange a question and answer session before the Cornelius City Council to allay some of the concerns the neighborhood has about the projects.

Thank you for your continued cooperation.

Sincerely,

A handwritten signature in cursive script that reads 'Jerald P. Taylor'.
