Thank you for attending this year's fair! |

The Energy Conservation Resource Fair would not be possible without all of the support we receive from our community, including all of the vendors at the fair today. We would like to especially recognize and thank NW Natural for their support and participation of the fair throughout the years. Their support has impacted the lives of thousands of low-income residents of Washington County by helping them to connect with local resources that work to eliminate conditions of poverty.

Energy Conservation

Improving the efficiency, safety, comfort and durability of people's homes.

Community Action Programs

CHILD CARE RESOURCE AND REFERRAL
